Understanding Your Exam Results

Performance ratings per Domain:

- **Needs Improvement:** The number of questions you answered correctly is less than 50%. Your performance is far below the target and fails to meet the minimum requirements for this exam. Additional preparation is strongly recommended before re-examination.
- **Below Target:** The number of questions you answered correctly is between 50% and 65%. Your performance is slightly below target and fails to meet the minimum requirements for this exam. Additional preparation is recommended before re-examination.
- **Target:** The number of questions you answered correctly is between 65% and 75%. Your performance meets the minimum requirements for this exam.
- **Above Target:** The number of questions you answered correctly is above 75%. Your performance exceeds the minimum requirements for this exam.

Performance ratings per Task:

- Low:** The number of questions you answered correctly is less than 33%.
- Medium:** The number of questions you answered correctly is between 33% and 66%.
- High:** The number of questions you answered correctly is above 66%.
- N/A:** There were no questions covering this task.
